# 註冊頁面

The screenshot shows a web browser window with the address bar displaying 'localhost:8080/finalProject/registerPage.html'. The page has a blue header with the text 'Do You Want To Say Something...?'. Below the header, the title '註冊新帳號' (Register New Account) is centered. The registration form consists of four input fields with labels in Chinese and English: '請輸入使用者名稱:' (Please enter username:), '請輸入新帳號:' (Please enter new username:), '請輸入新密碼:' (Please enter new password:), and '請再次輸入新密碼:' (Please re-enter new password:). A light blue 'Register' button is positioned below the last field. The browser's taskbar at the bottom shows various icons and the system clock indicating 7:04 PM on 2022/4/11.
